TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees present their annual report together with the financial statements and auditors' report of the charitable company for the year 1 September 2019 to 31 August 2020. The annual report serves the purposes of both a Trustees' report and a directors' report under company law.

By 31 August 2020, The Mead Educational Trust (TMET) comprised ten schools (seven primary and three secondary), Leicester Teaching School and Leicestershire Secondary SCITT (School Centred Initial Teacher Training), all of which are based in Leicester. TMET's schools have a combined pupil capacity of nearly 7,000 and a combined number on roll of approximately 6,300.

During the 2019-20 financial year, two Leicester primary schools joined the Trust: Abbey Mead Primary Academy and Kestrel Mead Primary Academy both joined on 1 September 2019.

TMET was established to provide a local sponsorship solution and became fully operational in November 2015 with its first two schools, Rushey Mead Academy and North Mead Primary Academy (previously Northfield House Primary Academy). By the end of the 2018-19 financial year TMET has grown to an 'Established Trust' of eight schools and, by the start of September 2019, to ten schools. The Trust is due to open another secondary Free School, Brook Mead Academy, in August 2021. The Trust is deliberately a cross phase entity, believing that everyone has mu

School end of year results

2019-20 proved to be an unusual and challenging year due to the COVID-19 pandemic. As a result, there are no Key Stage 2 results for 2020.

The GCSE results for Rushey Mead and Orchard Mead Academies were based on Centre Assessed Grades, i.e. in depth teacher assessments of what the students would have achieved if they had sat their GCSE exams. The 2020 results are not being published by the DfE. Rushey Mead Academy exceeded national averages for attainment and progress, as it has done in previous years. Orchard Mead Academy showed an improvement on 2019 in overall attainment and progress as part of the significant improvement journey this school is on.

Leicestershire Secondary SCITT (School Centred Initial Teacher Training)

The SCITT works with a range of partnership schools in Leicester and Leicestershire and continues to achieve a high level of success. In 2019-20, it was successful in increasing the number of trainees to 59 trainees across 12 subjects, its biggest cohort yet. This included three Salaried School Trainees and one Researchers in Schools. Four trainees withdrew from the course and 51 achieved QTS (Qualified Teacher Status). Those who withdrew had various reasons but, overwhelmingly, teaching was not a career they wanted to pursue. Due to the lockdown, four trainees were not able to demonstrate sufficient evidence across the Teachers' Standards and they are extending their programme until the end of December 2020. The DfE recognised that a small proportion of trainees required additional time to obtain QTS and they have provided additional funding to trainees and providers.

Key Achievements:

- 98% of the SCITT NQTs are now working in Leicester/Leicestershire schools.
- Since 2013, the SCITT has trained 222 teachers.
- The number of partnership schools has grown to 56 (this includes primary, special, secondary, independent and sixth forms).
- During 2019-20, 161 teachers from the SCITT partner schools attended the following training: mentor training; the Power of Coaching; Cognitive Science; Tom Bennett conference. These were opportunities for

Promoting the success of the company

'Together we make a positive difference' signifies our Trust's determination to leverage the strength and depth that we have across the Trust to ensure that all our schools provide an excellent education for all learners. The trustees are committed to improving the outcomes for all our pupils whatever their starting points and needs. This is driven by moral integrity and a mission to make a positive difference to the lives and life chances of our pupils, their families and communities.

The Trust provides the underpinning systems, structures and the internal and external networks to support the work in our schools, enabling them to prioritise their time on the teaching and learning strategies and outcomes at their schools. The central Trust team provides expertise to address issues and risks in a timely manner and to support school leaders to develop practice in their school.

Staff development is a key priority in the Trust. We deliver effective, progressive, professional development opportunities for all staff who work within our schools. Talent spotting and succession planning throughout the Trust is an essential contributor to staff recruitment, retention and development.

The Trustees are committed working for the benefit of the wider community. For example, working with the wider community of schools, our Teaching School provides professional development for schools outside the Trust and our SCITT works with a range of partnership schools across Leicester and Leicestershire. In 2019-20 TMET worked with Leicester City Council to develop plans to open a series of DSPs (Designated Specialist Provision units) in Trust schools in 2020-21 in order to expand special educational needs provision in Leicester, a very much needed development. The Trust continues to work with Leicester City Council to support pupil place planning and, in 2019-20, agreed to pull forward the opening date of its next free school, Brook Mead Academy, to 2021 to meet pupil place needs. During the COVID lockdown from March to June 2020, our schools stayed open for key worker and vulnerable children, including through the Easter and half term holidays. The schools were committed to helping families in need, distributing food parcels and referring families to food banks and appropriate charities.

We ensure our school environments are fit for purpose and consider the environmental impact when making decisions with regards to our infrastructure. Some of the recent building developments in our schools have improved energy efficiency such as installation of double glazing and LED lighting.

As a Trust, we place an important emphasis on the professional conduct of our staff, trustees and visitors and all abide by a clear framework and policy. This includes being aware of equality, impartiality and the need to act fairly.

Financial review

Financial review

The Academy Trust had a net increase in funds for the year ended 31 August 2020 of £878,101 including fixed assets movements but excluding pension reserve movements. As at 31 August 2020 the Trust held £1,999,686 of unrestricted reserves plus £3,422,287 of unspent (non fixed asset) restricted funds. The Trust therefore held combined unrestricted and non fixed asset restricted funds, being its available reserves of £5,421,973.

The Trust had a pension deficit on their Local Government Pension Scheme of £14,832,000 at 31 August 2020 and a fixed asset reserve of £53,106,588 (being the book value of past purchases £52,370,051 plus £756,537 of unspent capital grants.)

Despite the global pandemic, there are no significant factors going forward that are expected to impact on the normal continuing operation of the Trust, as core funding from both the Government and Local Authorities is currently expected to continue. The principal financial management policies adopted in the period are included in the Trust's internal financial policies and are typical for an Academy Trust of this size and type. There were no unusual significant events worthy of comment during the year other than the aforementioned pandemic.

The principal sources of funding for the Trust are the General Annual Grant (GAG) and other DfE Group grants, such as Pupil Premium. This funding has been used to support the key educational objectives of the Academy Trust, subject to any remaining reserves.

The Trust's investment policy is only to hold cash reserves on deposit with major holding banks so as to minimise risk.

Investment policy

The Trust's Investment Policy ensures that funds which the Academy Trust does not immediately need to cover anticipated expenditure are invested in such a way as to maximise income but without risk. Our aim is to spend the public monies with which we are entrusted for the direct education benefit of pupils as soon as is prudent. The Academy Trust does not consider the investment of surplus funds as a primary activity, rather it is the result of good practice as and when circumstances allow.

The purpose of the Trust Investment Policy is:

- To ensure adequate cash balances are maintained in the current account to cover day to day working capital requirements
- To ensure there is no risk of loss in capital value of any cash funds invested
- To protect the capital value of any invested funds against inflation
- To optimise returns on invested funds

Guidelines are strict and include:

- Regular cash balance reports are to be prepared and monitored to ensure there are adequate liquid funds to meet all payroll related commitments and outstanding creditors that are due for payment.
- Where the cash flow identifies a base level of cash funds that will be surplus to requirements these may be invested following approval from the Finance and Audit Committee. Approval must be signed off and recorded in the committee minutes.
- In making decisions regarding where and how any surplus funds should be invested, due regard will be given to risk. The Finance and Audit Committee will set a maximum level of investment with any single provider. This decision will be recorded in the minutes of this committee.
- The main bank account for each school attracts interest at the current rate of 0.1% regardless of any separate investment. This interest is paid directly into the bank account of the individual schools and is a true reflection of the interest earned on their own balances.
- Currently, it is expected that surplus funds will be invested with the existing banker Lloyds Bank in an instant access deposit account. There is potential for a better rate of return from investing a single value that may be a contribution from any combination of schools. The interest accrued would then be distributed proportionally to each school.
- The Finance and Audit Committee will receive a report at each meeting as to the performance of the investment.
- The Chief Financial Officer will research alternative sources of investment return at least twice a year and will report to the Finance and Audit Committee the options available. Any decision to diversify the investments must be recorded in the minutes of this committee.
- The Finance and Audit Committee will consider the ethical and moral standing of any alternative investment provider and they will ensure that this potential investment partner meet the standards that will be expected by the Trust Board.

The aim is to reach an appropriate level of reserve to allow the management and the Finance and Audit Committee to explore alternative investment possibilities with criteria being:

- Investment with a different counterparty (in order to reduce counterparty risk);
- Consideration of whether there should be a maximum level of investment with a single approved counterparty; and
- A longer term investment with a higher return (but not high risk investments which are not in the best interests of the Academy Trust).

Plans for future periods

The Trust has clear strategic ambitions built on its vision and values, at the core of which is the determination that 'together we make a positive difference'. The Trust KPIs set out our high level aspirations and are grouped together under the headings of:

- Together we make a positive difference for our learners
- Together we make a positive difference through our governance
- Together we make a positive difference through our leadership
- Together we make a positive difference through our staff
- Together we make a positive difference to the educational landscape
- Together we make a positive difference through effective operations

The Trust Strategic Improvement Plan sets out how we will plan, guide and improve our Trust, ensuring there is a clear focus on raising standards and on improving leadership, governance, teaching and learning. We will also continue to develop a cost effective, sustainable organisation and a business model that delivers efficiency, effectiveness and economies of scale in order to free up more resources for pupils and school improvement. Our first phase of development concentrated on building capacity in order to realise our ambition to assist schools with greater needs, including full recovery where required. The Trust Strategic Improvement Plan is taking us through our next phase of growth.

Growth

The Trust is now a well-established, respected, cross phase MAT comprising ten schools, the Teaching School, SCITT, over 6,000 pupils, a combined GAG income of £28 million and a total income in excess of £36 million.

The ambition of the Trust is to grow further in membership in order to create both value for money central services and a highly responsive school improvement model. A key aim of the Trust is to have a balance of schools at different starting points in their journey of improvement, therefore creating effective capacity for sponsorship. The Trust intends to grow its membership in a carefully controlled way to extend its reach and impact in its local communities.

The Trust is due to open another new secondary school in Leicester, Brook Mead Academy, in 2021.

GOVERNANCE STATEMENT

Scope of responsibility

As Trustees, we acknowledge we have overall responsibility for ensuring that The Mead Educational Trust has an effective and appropriate system of control, financial and otherwise. However, such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

As Trustees, we have reviewed and taken account of the guidance in DfE's Governance Handbook and competency framework for governance.

The Board of Trustees has delegated the day-to-day responsibility to the Chief Executive Officer, as accounting officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between The Mead Educational Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities.

Attendance during the year at meetings of the Board of Trustees is presented in the following table. Victoria Bishop ceased to be a Trustee before the first meeting of the year. Gemma Bhagalia went on maternity leave in March 2020.

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities.

During the year there has been one Trustee resignation: Victoria Bishop (25 September 2019). There have been no Trustee appointments.

The Board of Trustees had planned four meetings during 2019-20 but arranged additional meetings in April to August 2020 due to the COVID-19 pandemic. Therefore, the Board formally met eight times during the year.

Effective oversight of funds is maintained through the year via:

- 4 Board meetings
- 4 Finance and Audit Committee meetings (5 in 2019-20)
- Monthly budget management reports which are sent to the Trust CEO, Chair of Trustees and Chair of Finance and Audit Committee and are shared with all Trustees on GovernorHub
- Twice yearly meetings of the CFO with the Chair of the Finance and Audit Committee to provide the opportunity for that Chair to interrogate financial management across the Trust.

GOVERNANCE STATEMENT (CONTINUED)

Governance (continued)

The Finance and Audit Committee is a committee of the Board of Trustees. Its purpose is to provide assurance over the sustainability of, and compliance with, the Trust's financial systems and operational controls. The committee's role is to maintain an oversight of the Trust's financial governance, risk management, internal control and value for money framework. This committee incorporates the role of an Audit Committee. Whilst academy councils draft their annual budget and set their own staffing levels, the Board of Trustees has overall responsibility of approving or not approving these recommendations prior to submission to the ESFA by the deadline (usually 31 July each year but extended to September in 2020 due to COVID-19).

Attendance at Finance and Audit Committee meetings in 2019-20 was as follows:

Trustee	Meetings attended	Out of a possible
Rachael Clarke	4	5
Deepak Karia	4	5
Hiten Mehta	5	5
Kasar Singh	5	5

The Education Committee provides assurance to the Trust Board on the standards, performance and safeguarding of all schools and education providers within TMET. The committee monitors and evaluates pupil progress and attainment and the quality of teaching, ensuring the Trust provides a consistently high quality learning experience and delivers a broad and balanced curriculum in keeping with the Trust's aims and vision, all pupil needs and legal requirements.

Attendance at Education Committee meetings in 2019-20 was as follows:

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2020

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Academies Accounts Direction published by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to

1. Accounting policies

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historic cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2019 to 2020 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

The Mead Educational Trust meets the definition of a public benefit entity under FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy Trust to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. Despite the global pandemic which was ongoing at the balance sheet date and subsequently, there are no material uncertainties over the Academy Trust's ability to continue as a going concern. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the fsis

pay at an open market value.

- **Transfer on conversion**

Where assets are received by the Academy Trust on conversion to an Academy, the transferred assets are measured at fair value and recognised in the balance sheet at the point when the risk and rewards of ownership pass to the Academy Trust. An equal amount of income is recognised as a transfer on conversion within income from donations and capital grants. The land and buildings are held on a 125 year lease with the Local Authority (LA). The cost of the land and buildings was arrived at using either the ESFA or Leicestershire County Council standard valuation on a depreciated replacement cost basis provided to the Academy Trust. This provided a value for the land and buildings as at the date of conversion.

- **Donated fixed assets (excluding transfers on conversion or into the Academy Trust)**

Where the donated good is a fixed asset it is measured at fair value, unless it is impractical to measure this reliably, in which case the cost of the item to the donor should be used. The gain is recognised as 'Income from Donations and Capital Grants' and a corresponding amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with the Academy Trust's accounting policies.

1.4 Expenditure

Expenditure is recognised once there is a ~~At the end of the reporting period, the carrying amount of the asset is less than its recoverable amount. In this case, the carrying amount is written down to its recoverable amount. The amount of the impairment is recognised in the profit and loss account.~~

1.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

Classroom consumables, unsold uniforms and catering stocks are valued at the lower of cost or net realisable value.

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Current asset investments are cash or cash equivalents with a maturity date of less than one year valued at fair value.

1.17 Conversion to an academy trust

The conversion from a state maintained school to an Academy Trust involved the transfer of identifiable assets and liabilities and the operation of the school for £Nil consideration. The substance of the transfer is that of a gift and it has been accounted for on that basis as set out below.

The assets and liabilities transferred on conversion from Kestrels' Field Primary School and Abbey Primary Community School to the Academy Trust have been valued at their fair value. The fair value has been derived based on that of equivalent items. The amounts have been recognised under the appropriate Balance Sheet categories, with a corresponding amount recognised in Income from Donations and Capital Grants in the Statement of Financial Activities and analysed under unrestricted funds, restricted general funds and restricted fixed asset funds.

2. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying

13. Trustees' and Officers' insurance

In accordance with normal commercial practice, the Academy Trust has purchased insurance to protect Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business. The insurance provides cover up to £2,000,000 on any one claim. The cost of this insurance is included in the total insurance cost.

Castle Mead Academy has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects Trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme membership.

27. Conversion to an academy trust

On 1 September 2019 Abbey Primary Community School converted to academy trust status under the Academies Act 2010 and all the operations and assets and liabilities were transferred to The Mead Educational Trust from Leicester City Council for £NIL consideration.

The transfer has been accounted for as a combination that is in substance a gift. The assets and liabilities transferred were valued at their fair value and recognised in the Balance Sheet under the appropriate heading with a corresponding net amount recognised as a net loss in the Statement of Financial Activities as Expenditure on Charitable activities - transfer from local authority on conversion.

The following table sets out the fair values of the identifiable assets and liabilities transferred and an analysis of their recognition in the Statement of Financial Activities.

29. Pension commitments (continued)

The employer's pension costs paid to TPS in the year amounted to £2,975,335 (2019 - £1,582,103).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (<https://www.teacherspensions.co.uk/news/employers/2019/04/teachers-pensions-valuation-report.aspx>).

Under the definitions set out in FRS 102, the TPS is an unfunded multi-employer pension scheme. The Academy Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Academy Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit pension scheme, with the assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2020 was £1,929,000 (2019 - £1,419,000), of which employer's contributions totalled £1,539,000 (2019 - £1,126,000) and employees' contributions totalled
